

From Expert to Leader

2-Day Leadership & Communication Workshop

“Step beyond expertise — become the kind of leader who inspires.”

Discover how effective communication and leadership can transform not only your team, but also yourself. Through interactive exercises, psychological insights, and guided reflection, participants will gain the mindset and skills of a confident and empathetic leader—ready to take action, motivate others, and drive change.

WHO

- Team leaders who want to give more effective feedback
- Managers struggling with motivation or conflict issues
- Emerging leaders preparing for promotion

WHAT

- Day1 – Principles, Flow, Communication, Leadership basics
- Day2 – Motivation, Feedback, Team dynamics, Conflict, Evaluation
