

# From Expert to Leader

**2-Day Leadership & Communication Workshop**

**JANUARY 20–21, 2026**

|

**KGCCI 1F, BERLIN ROOM**

## **ABOUT**

Discover how effective communication and leadership can transform not only your team, but also yourself. Through interactive exercises, psychological insights, and guided reflection, participants will gain the mindset and skills of a confident and empathetic leader—ready to take action, motivate others, and drive change.

# 2-Day Leadership & Communication Workshop

## What

### Day 1

Principles, Flow, Communication, Leadership basics

### Day 2

Motivation, Feedback, Team dynamics, Conflict, Evaluation

## Why

- Many professionals excel in their roles but struggle with leading and communicating
- A hands-on opportunity to ***experience*** leadership
- Strategies to move from '***doing***' to '***leading***'

## Who

- Team leaders who want to give more effective feedback
- Managers struggling with motivation or conflict issues
- Emerging leaders preparing for promotion

## How

### “Learning by Doing”

- Psychology-based learning model
- Tailored curriculum blending German DIHK/IHK training methodology with Korean workplace culture
- Integrated cycle of theory, practice, and reflection

“Step beyond expertise  
— become the kind of leader  
who inspires.”

---
